

BIOSPECTRA

BioSpectra is excited to announce the grand opening of our new 60,000 square foot warehouse located at 51 North 3rd Street, Stroudsburg, PA. We began making direct shipments of Finished Goods from the new warehouse beginning February 1st, 2023. There will be a progression of products moving to and shipping from our new warehouse as well as many Finished Goods being stored here. More facilities are expected as our organization continues to grow!
