

## STABILITY AND TRANSPORTATION STATEMENT

### Sodium Decanoate GMP

BioSpectra can state that Sodium Decanoate, Bio Excipient Grade, Bio Pharma Grade and Biotech Grade, manufactured at BioSpectra has undergone a 36-month stability testing program at ambient conditions. Based on the results obtained in this study compared to the results obtained in the Sodium Decanoate Cold Storage study, it has been determined that there is no risk to Sodium Decanoate material when stored or transported under ambient conditions. A two-year retest date is currently assigned based on the Long-Term Stability Data in the packaging configurations reported in the Stability Report.
